\$20,000 Purchase of Fine Furs Offered at 50 Cents on the Dollar

The mild weather of September and the first half of October has not been favorable for the fur business, and explains this gigantic purchase of high grade Furs at half price and thereabouts.

A prominent manufacturing furrier, not being able to wait longer for cold weather to create a demand for his stock, was compelled to sacrifice in order to obtain necessary cash to carry on his business. His loss is your gain.

The entire collection consists of the finest quality Furs, in this season's most fashionable shapes.

If you expect to buy a new fur piece or fur set this season, now is the time to make your purchase. Those desiring to buy furs for Christmas gifts will find this sale offers extraordinary opportunities for money saving.

IF DESIRED, WE WILL LAY ASIDE ANY PIECE OF FUR UNTIL LATER, UPON PAYMENT OF A SMALL DEPOSIT.
